The Oklahoma Turfgrass Research Foundation
and the
Oklahoma Golf Course Superintendents Association

Present their 12th Annual Benefit Golf Tournament

Monday, April 23, 2012 at
CEDAR RIDGE COUNTRY CLUB IN BROKEN ARROW, OK

We have set another goal this year. Last year’s tournament brought in approximately $6500 per association. Let’s make this year’s tournament even larger. Please support our associations by planning on attending. Thanks to Mike Wooten, CGCS for volunteering his course for the tournament this year.

There are several ways you can contribute. Choose one, several or all of the following. Remember, it is for a good cause:

- Bring a team for the 4-man scramble, which is $700 per team. Mulligans are included in this amount.
- Sponsor a tee box ($250) Closest to the Pin contest, Longest Drive contest, or Straightest Drive contest
- Have a sign displayed somewhere on the golf course with your information for $100. Signs will be provided.
- Donate cash or prizes to help pay for the other prizes and to offset our expenses.
- Sponsor a hole-in-one contest.
